# FOREWORD BY THE ORGANISATION

**With due pride we have started collaborating with many parties to make this beautiful new European Cup happen. The Ju-Jitsu Duo Games is a fantastic technique comparing competition which will now be fully independently put on the European competition calendar.**

## **A binding event**

We want to get more out of this tournament, it is going to be an event that will contain many inventions. One of the connecting elements of the European Cup will be the usage of live musicians. They will not just play music, but pieces are made specifically for these Duo Games competitions.

## **Community**

Another connecting element will be the support from municipality Medemblik to ensure their involvement with this event. There is an incredibly beautiful and versatile team of volunteers who all want to contribute to this sporty, sensational, welcoming and whirling tournament for all ages. Corporate life will also be visible during this event because the moral code of budo is easily applicable to many organisations.

## **Young and old**

We want to showcase that Ju-Jitsu is a sport accessible to all ages. During this European Cup we will see young children under the age of 12 compete with each other, but also a Grandmaster aged above 80 display that you are never too old to learn and practice.

## **Fight against cancer**

This event will also be connected to the fight against cancer. Normally we donate a portion of the registration fee to KiKa, this time we have chosen to actively support the Miranda Mania. Over the last couple of years this organisation has collected a lot of money for cancer research.

All in all, the European Cup Ju-Jitsu is not just an event, it's priceless!

# WHAT'S JU-JITSU DUO GAMES ABOUT?

## Do you not have a clear idea of what Jiu-Jitsu Duo-games is about?

It is a spectacular form of competition and if you have seen a fighting scene of Jackie Chan and you enjoyed it, you are going to love the European Cup Ju-Jitsu Duo-Games too.

### Realistic fighting scenes

During Duo Games competition you are going to see two duos who will show several realistic fighting scenes. The referee will indicate which attack should be shown by the duo on the tatami. They have to attack followed by a defence with a Ju-Jitsu technique.

The execution has to be accurately, fast and logically so it looks like a real fight without any body getting hurt.

The referees are giving points based on accuracy, speed and logical and overall execution. The points of all series will form the total of points. This total will determine the winning duo.

### Categories and classes

Duo-Games consist of several categories and classes.

# FOREWORD JJEU-PRESIDENT

Dear sport friends and enthusiasts!

From year to year we can watch more and more young athletes performing at their best in Ju-Jitsu sport. As we have Aspirants and Juniors participating at European and World Championships. We were also looking to find a way for a high-level event for Ju-Jitsu Duo System.

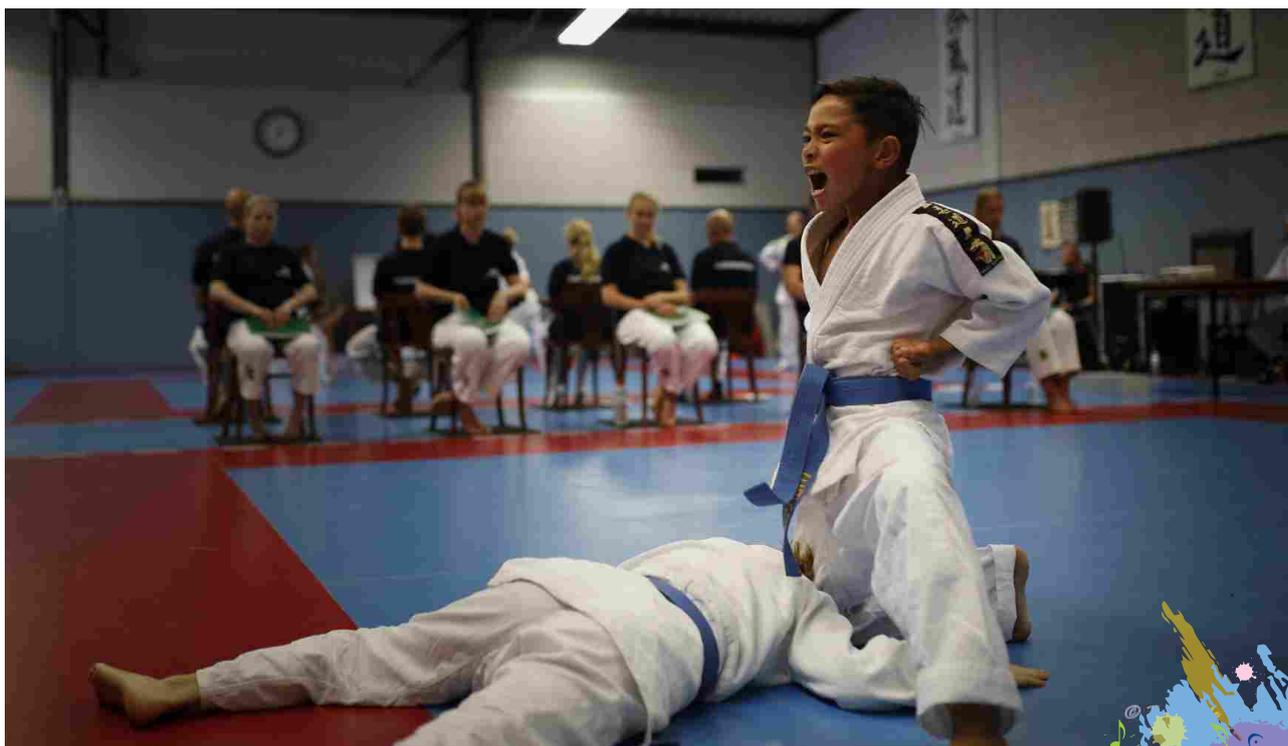

We would like to thank the City of Medemblik, Budo school Shi-Sen-Do and Judo Bond Nederland for taking the challenge to be the first to organise new format of Europe Cup Duo Games. It's a new concept with live musical support and more new thrilling innovations. It's the place to be for all Duo-Games athletes. I hope you will enjoy the hospitality of the Netherlands, have a good time and take home friendly memories.

Last but not least we would like to thank especially the parents of our youngest athletes for all the support and investment of time and energy in Ju-Jitsu. We are proud and grateful having you in our family.

With best regards,

### Welcome to Medemblik

With much pleasure I welcome you and all other Ju-Jitsu enthusiasts to the European Cup Duo-Games in municipality Medemblik. I think this is a fantastic and beautiful event that's being organized in our municipality, not just this year but also the next three years to come.

The European Cup is an engaging expansion to the current top sports we currently offer, such as several international sail events, including Medemblik Regatta, handball, skating and rollerblades, not to mention the dozens of individual top athletes.

Medemblik is top sport! Medemblik is, however, also known for its cozy port and beautiful historical center with many houses and buildings dated in the 16th and 17th century. I would like to invite all of you to visit this part of our municipality as well. Like that, after your visit, you will return with lovely memories. But above all I wish you much joy during this first edition of the European Cup!

# NOT JUST AN EVENT, IT´S PRICELESS

## Dive

We take it to a higher level.

It has to be an event for the participants as well as for the audience and all involved.

This is why René Lenting and Raymond Dreesen of DIVE Music have composed music especially for the European Cup Ju-Jitsu.

During the whole tournament they will perform live.

## P-S-L

To ensure the music will be heard and the participants can be introduced to the audience in the best possible way, we asked P-S-L (Pieter Sound Light) to help us with lightning and sound.

Pieter has taken up this challenge and will ensure each Ju-Jitsuka can enter the tatami as a superstar.

## TOPvloeren

If you want to find out more about floors, you can visit TOPvloeren for the possibilities and several materials and applicability. But on the tatami they are also very engaged.

Especially as *Preferred Partner* of the European Cup they ensure the participants will enter the competition area in a very special way.

## Shi-Sen-Do Consulting

Shi-Sen-Do Consulting established all connections to ensure this event will be one for everybody.

Shi-Sen-Do Consulting works on the basis of "the power of connecting".

The cohesion between everybody involved in this event inspires all of us and allows everyone to be a winner.

# FOREWORD BY THE JBN

Dear Sports Friends!

It gives me great pleasure to invite you for the our first continental championship Europa Cup in DUO system, the DUO games, accompanied by the JJEU annual General Assembly. 2018 is a year of a lot of new activities in Europa, this European Cup in DUO is one of them.

I hope that positive approach, patience and good governance will improve the conditions for our athletes and further recognition of their achievements in the future.

The Ju-Jitsu European Union and the Dutch Judo Federation has the privilege to entrust the organization of this European Cup to the capable hands of our sports friends in Medemblik who have the full support of the City of Medemblik. The championship will take place in Wognum.

I would also like to use this opportunity to thank the team of Budoschool Shi-Sen-Do from Opperdoes and other supporters, sponsors for their support. It is always nice to witness the amount of understanding of importance of sports beyond the promotional level - the effect on education and building friendship.

My compliments to Mr and Mrs Takken and their team for their professional approach, effective response, love and enthusiasm they have invested in Ju-Jitsu and, in particular, in the DUO systems for the European Cup in DUO systems 2018.

I wish you a pleasant stay and please remember that winning is nice, but being part of a European Cup is a reward in itself. Be proud of yourself, be proud to be part of the ju-jitsu world.

# WIM VAN VORSTENBOS

At 81 Wim van Vorstenbos is one of the most graduated budokas of the Netherlands. He has namely the 9te dan grade Ju-Jitsu, 7th dan grade Judo and 2nd dan grade karate. This is what Van Vorstenbos achieved after sixty years of active (budo) sports career. Wim should be called grandmaster in the Japanese self-defence Arts in the Netherlands.

## Founder Ju-Jitsu systems

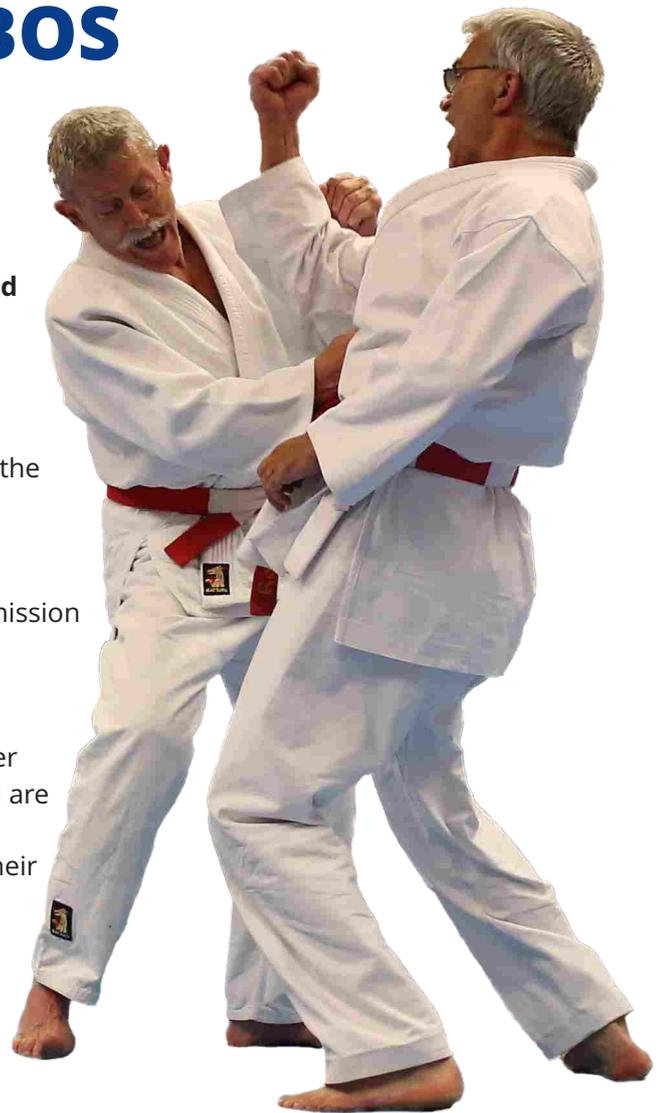

From his 15th year, he practises Ju-Jitsu and helped creating the current Ju-Jitsu. The competitions have resulted in this. For 25 years he has implemented training activities for J.B.N. whereof in the preliminary courses Robert Takken a.o. Furthermore he has managed the national graduation commission for 20 years.

## Down to earth Dutchy

Despite his great love for Japanese self-defence Arts, he never visited Japan. In his own words, travel expenses are high and are not worth. However, when Japanese grandmasters came to Europe or the Netherlands to teach, he regularly attended their lessons.

## Excellent reputation

Wim van Vorstenbos has meant a lot for the Dutch budosport. For this reason he is awarded with a golden pin by the Dutch federation and he also received royal honour.

# KIME NO KATA

## Demonstration

During the European Cup Duo-Games sensei van Vorstenbos and Henk Tamerus will give a Kime no kata demonstration. Kime no kata consists of a series of self-defences kata, executed with real weapons.

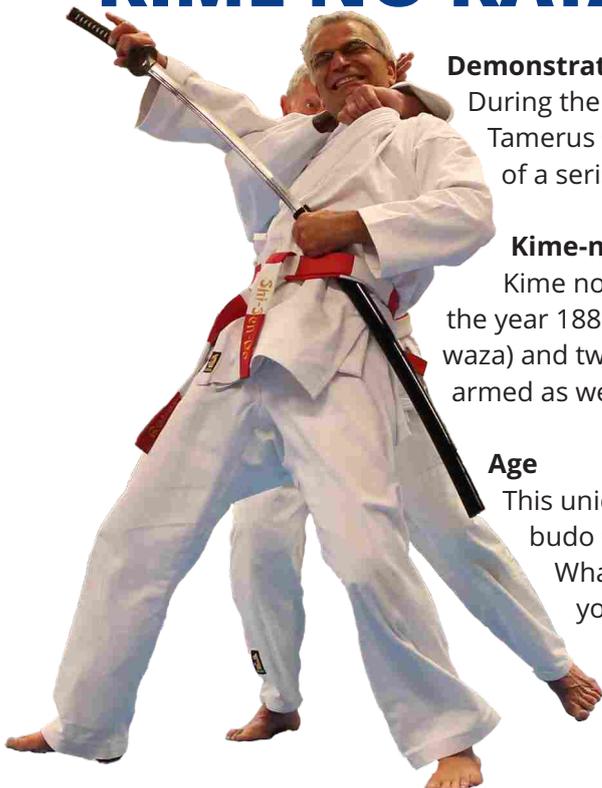

## Kime-no-kata (Kata of Decisions)

Kime no kata originates in Kodokan (original Judo dojo in Tokio) around the year 1888. It consists of eight techniques from kneeling position (idori waza) and twelve standing techniques (tachi waza). Both series consists of armed as well as unarmed attacks.

## Age

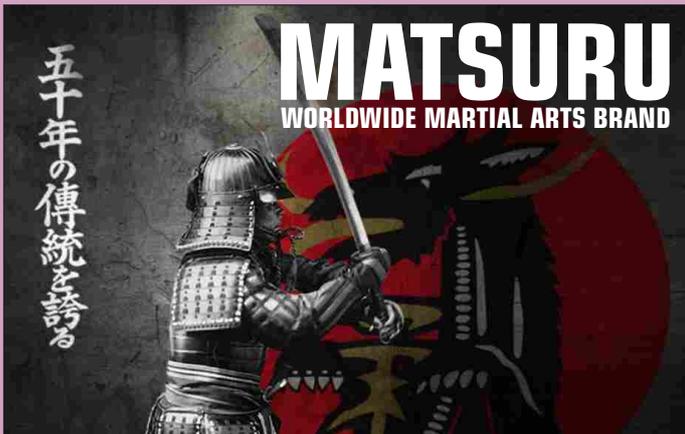

This unique demonstration also show age doesn't play a role within budo sport. You can see all age categories all day long.

What matters is fun and sport experience and this day will show young and old go hand in hand.
